Course Information Sheet	
Course Unit Code	TCS 2112
Course Name	Business Economics
Credits	2
Course Outline	• Introduction to Business Economics • Efficiency and Fairness of Markets • Demand and Supply • Government Intervention in Markets • Production and Cost • Consumer Behavior and Utility Theory • Macro Economics (GDP: A Measure of National Production and Income, Unemployment, Inflation) • International Trade
Marks Allocation	CA – 30% ESA – 70%
Eligibility requirements to appear for ESE	Attendance – 80%
Necessary conditions to pass the course	CA – 40% ESA – 35%
Recommended readings	• R. Bade and M. Parkin, Foundations of economics • J. Sloman, A. Wride, and D. Garratt, Economics

Lesson Plan

Week	Date	Dep.	Learning activity/topic	Description	Teaching/ assessment Method	Learning Outcomes
01	Aug 3rd	BST	Introduction to Business Economics	Define Economics, Basic concepts of Economics, Basic Economic Decisions, Normative and Positive Economics	2hrs. L	LO1
	Aug 7th	ICT/ET	Introduction to Business Economics	Define Economics, Basic concepts of Economics, Basic Economic Decisions, Normative and Positive Economics	2hrs. L	LO1
02	Aug 10th	BST	Production Possibility Curve	Define PPF, Resources, Conditions, Different types of PPE.	2hrs. L	LO1
	Aug 14th	ICT/ET	Production Possibility Curve	Define PPF, Resources, Conditions, Different types of PPE.	2hrs. L	LO1
03	Aug 17th	BST	Demand and Supply Analysis 1	Theory of Demand, Estimating Demand functions, graphical and tabular presentations	2hrs. L	LO1
	Aug 21st	ICT/ET	Demand and Supply Analysis 1	Theory of Demand, Estimating Demand functions, graphical and tabular presentations	2hrs. L	LO1
04	Aug 24th	BST	Demand and Supply Analysis 2	Theory of Supply, Estimating Supply functions, graphical and tabular presentations, Market equilibrium	2 hr. L	LO2
	Aug 28th	ICT/ET	Demand and Supply Analysis 2	Theory of Supply, Estimating Supply functions, graphical and tabular presentations, Market equilibrium	2 hr. L	LO2
05		**BST ICT ET**	**Continuous Assignment 01**	**Introduction to Business Economics, Production Possibility Curve, Demand, & Supply**		**LO1**
06	Sep 7th	BST	Government Intervention in the Market 1	Changes in Market Equilibrium, Buffer Stocks, and Price ceilings.	2hrs. L	LO2

	Sep 11th	ICT/ET	Government Intervention in the Market 1	Changes in Market Equilibrium, Buffer Stocks, and Price ceilings.	2hrs. L	LO2
07	Sep 14th	BST	Government Intervention in the Market 2	Changes in Market Equilibrium, Taxation, and Subsidies.	2hrs. L	LO2
	Sep 18th	ICT/ET	Government Intervention in the Market 2	Changes in Market Equilibrium, Taxation, and Subsidies.	2hrs. L	LO2
08		**BST ICT ET**	**Mid Semester Week**			
09	Sep 28th	BST	Production and Cost 1	Theory of Production, Short term and long term, Production Curves.	2 hrs. L	LO2, LO3
	Oct 2nd	ICT/ET	Production and Cost 1	Theory of Production, Short term and long term, Production Curves.	2 hrs. L	LO2, LO3
10	Oct 5th	BST	Production and Cost 2	Cost classification, Cost curves, Cost Analysis, and concepts	2hr L	LO3, LO4
	Oct 9th	ICT/ET	Production and Cost 2	Cost classification, Cost curves, Cost Analysis, and concepts	2hr L	LO3, LO4
11	Oct 12th	BST	Consumer Behaviour and Utility Maximization 1	Consumer Behaviour, Total Utility, Marginal Utility, Utility Curves	2hrs. L, SGD	LO3, LO4
	Oct 16th	ICT/ET	Consumer Behaviour and Utility Maximization 1	Consumer Behaviour, Total Utility, Marginal Utility, Utility Curves	2hrs. L, SGD	LO3, LO4
12	Oct 19th	BST	Consumer Behaviour and Utility Maximization 2	Consumer Behaviour, Total Utility, Marginal Utility, Utility Curves	2hrs. L, SGD	LO4
	Oct 23rd	ICT/ET	Consumer Behaviour and Utility Maximization 2	Consumer Behaviour, Total Utility, Marginal Utility, Utility Curves	2hrs. L, SGD	LO4

13		**BST ICT ET**	**Continuous Assignment 02**	**Up to Consumer Behaviour and Utility Maximization**		**LO2, LO3, LO4**
14	Nov 2nd	BST	Macroeconomics	GDP, Unemployment, Inflation, Interest Rate	2hrs. L, SGD	LO4
	Nov 6th	ICT/ET	Macroeconomics	GDP, Unemployment, Inflation, Interest Rate	2hrs. L, SGD	LO4
		BST ICT ET	International Trade	Absolute advantage and Comparative advantage Theory, Exchange rate.	2hrs. L, SGD	LO4
